

Create  
your  
dream  
home.

Our dynamic team can help you design, remodel or build a home of your dreams!  
For nearly a decade, we've been fortunate enough to work with clients all over  
the Twin Cities metro area, helping them find their perfect home!

[FOXHOMES.COM](https://www.foxhomes.com)

Our experienced team can help you design, renovate or build a home of your dreams.

### Fox Realty

We have been helping buyers & sellers make well informed decisions for over 10 years. We offer a comprehensive, full service approach—you're covered every step of the way!

### Fox Homes

Whether you're buying a fixer upper, updating your current home, or building new, our full service construction company can help you every step of the way. We also have talented designers at Fox Design to help with style, selections, and interior design.

### Fox Design

Whether you're doing a renovation, building a new home or updating your current home, we have a designer to fit your needs.

#### OUR DESIGN TEAM OFFERS:

- | Project management of renovation or build projects
- | Home plan review and design
- | Full service interior design and styling
- | Electrical plan layouts
- | Color and option selections
- | Furniture selection

### Fox Homes Gives

Throughout the year, we like to host different events & fundraisers as a way to connect with our communities and give back! Giving is at the heart of all we do—and with your support, we've been able to do so much! Thank you!

RENOVATING A HOME?

# Why work with us...

## You're thinking of renovating your home. Exciting!

We have been helping clients make well informed renovation and design decisions for over 10 years. We offer a comprehensive, full service approach to renovating your home. We'll guide you through the latest financing options, identify the best renovation options all while meeting your families growing needs and adding your own personal style to your home! We'll make sure all the details are taken care of to ensure a smooth construction process. Keeping you informed every step of the way!

### WHAT TO EXPECT

Our job is to help you navigate the construction process to make renovating your home as seamless and carefree as possible. Our knowledge of the market trends, construction timelines and style gives us the ability to help you create the home of your dreams.
